## Membership Committee

The Membership Committee is a standing committee established by UTFA Council on January 23, 2007.

The broad goals of the committee are to enable the mobilization of the membership; to provide avenues for the better flow of information from UTFA's Executive and Council to its membership as well as in the opposite direction; and to make UTFA a more powerful, cohesive organization acting in the collective interests of the full diversity of its membership.

Specific objectives of the committee include:

- i. raising awareness and profile of UTFA with members and the campus community in general,
- ii. recruiting and developing participants for Council and committees, and
- iii. informing and involving UTFA members in discussion about transforming our relationship with the University administration in order to make UTFA more effective.
